

# NORTHWEST RIVER SUPPLIES YELLOW TAG SALE!

**LOWEST PRICE EVER! SAVE \$250.00!** Been waiting for a super deal on our super **SPORT II**? Wait no more! We've got the best recreational whitewater raft in America at substantial savings this fall. The combination of our ordering optimism and poor spring weather gives you an opportunity to buy the best at a bargain price.

The Sport II is designed for maximum maneuverability without sacrificing cargo capacity, load stability, or frame compatibility. At 14'9" long and 6'10" wide, it has good maneuverability as well as stability in big water. 20.5" tubes increase the flotation and create a drier ride. An 11" bow and stern rise further reduces incoming spray and shortens the effective waterline for increased quickness in cramped river situations.

To implement our design and guarantee quality control, we

turned to Achilles of Japan to produce the Sport II. Achilles' uncompromising workmanship and excellent materials ensure the Sport II's long life. For extra durability, the Sport II has a 1260 denier, 58 oz high density black neoprene floor. The tubes are built of top quality nylon 66 calendered with 80% DuPont Hypalon. We specify a material with the highest percentage of rubber and the lowest percentage of filler in the industry. If you would like a fabric sample, just write or call.

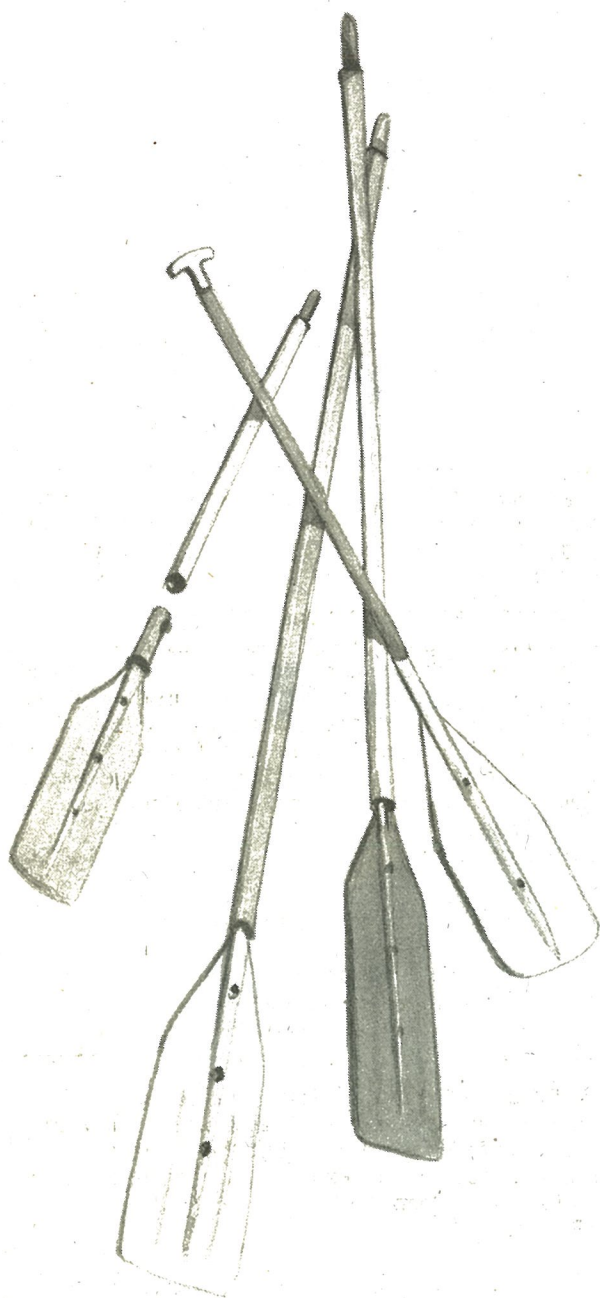

The Universal, Super, or Bighorn frames fit the Sport II perfectly. For those of you that prefer to paddle, the Sport II's quickness and maneuverability make it the ideal big-water paddle boat! Shipped motor freight collect. Save \$250.00!

**1001 Sport II**

1255 20' HD Strap	\$6.45 ea./5 for \$25.80

We're seeing yellow—too much of it! We're overstocked on yellow **CARLISLE** oar shafts and yellow magnum blades, so buy any length yellow shaft and/or yellow magnum blade and save 25% off the '84 catalog price on each.

Carlisle's rugged oars have become standard equipment for most river runners over the last few years. Carlisle oars have 1 3/4" diameter polyethylene-coated shafts with one-piece molded polypropylene handles. The STM II blades are light and durable with a full-length aluminum insert for reinforcement. The blade locks securely into the shaft with a sturdy, spring loaded push-button and can be removed quickly for transportation, storage, or replacement.

9 ft and 10 ft Carlisle shafts are also available in a take-down version; the two-piece shaft locks together with a push-button and accepts any of Carlisle's removable blades.

Please note that all Carlisle rafting oar shafts and blades are sold separately. To order a complete oar, please list the catalog number for both the shaft length (and color) and the blade model (and color) desired. For example, if you want an all-yellow 9 ft oar with a magnum blade, order one of #1088 and one of #1101.

**CARLISLE STM PADDLE** Buy four of Carlisle's toughest rafting/canoeing paddles (56" or 60") at the regular price and get a fifth paddle for free! Get that spare paddle at no extra cost during our Fall Sale.

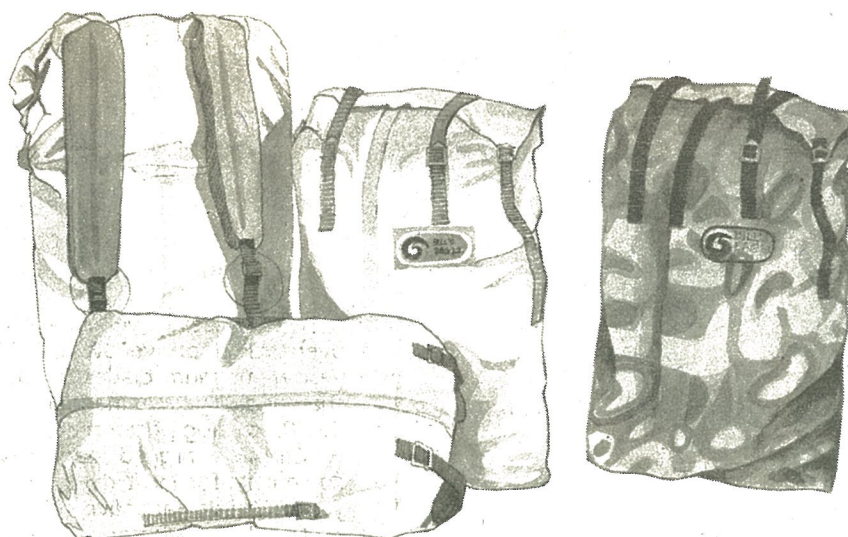

Outfitters favor the Carlisle STM because of its exceptional durability. The 8" x 20" blade is made of plastic which is resistant to UV (ultraviolet) degradation. The 1-1/8" diameter aluminum shaft is fully coated with high density polyethylene to protect the shaft from nicks, dents, and corrosion. Paddles have T-grip handles and weigh 2 lb, 6 oz in the 60" size. Available in 56" and 60" lengths, high visibility yellow blade and handle, blue shaft.

**1128-58" or 60" \$21.00 ea./5 for \$84.00!**

**CARLISLE ECONOMY PADDLE** Looking for an inexpensive, lightweight, sturdy paddle? You can't do much better than the Carlisle Economy Paddle.

**1124-54" or 60" \$10.95 ea.**

**WATERPROOF BAGS** We're putting our most popular product on sale! Our versatile Bills Bags aren't just for river runners anymore. Now they've been discovered by sailors in the summer, hunters in the fall and skiers in the winter.

With the variety of sizes and styles offered, from the 3.8 cubic feet Bills Bag to the handy Stuff and Tuff Sacks and economical Gear and Day Bags, we're sure you can find a bag to keep your gear dry. The three sizes of the Bills Bag have the same time-proven closure: just squeeze excess air from the bag, press the tabs together, roll down the top flap at least three folds, and cinch the top and side straps down tightly. All sizes of the Bills Bag have rustproof Fastex hardware and 2" padded shoulder straps to make those long portages more bearable. All of our waterproof bags are made of tough, waterproof, 18 oz PVC-coated dacron with leakproof, heat-welded seams. Our bags carry a one-year guarantee against defects in material and workmanship. Big savings on fall colors!

**CAMOUFLAGE BAGS** Particularly popular in the fall, our camouflage bags are perfect for hunters, archers, and anyone who prefers a more subdued color for their bags. Available in the 3.8, 2.2, and 1.2 Bills Bag styles along with 4 sizes in the Tuff Sack style.

<b>1385 3.8 Bills Bag</b>	<b>\$45.00</b>
<b>1386 2.2 Bills Bag</b>	<b>\$41.50</b>
<b>1387 1.2 Bills Bag</b>	<b>\$37.50</b>

<b>1388 XSmall Tuff</b>	<b>\$10.00</b>
<b>1389 Small Tuff</b>	<b>\$12.50</b>
<b>1390 Medium Tuff</b>	<b>\$16.50</b>
<b>1391 Large Tuff</b>	<b>\$19.00</b>

**BILLS BAG 3.8** Our largest and most popular waterproof bag could easily double as a pack for a winter hike into a remote cabin. Even if the snow is falling heavily, there would be no hassle with wet gear. The 3.8 cubic foot capacity (13" x 16" x 32" packed full) provides enough room for two persons' gear if carefully packed. The Original Orange would help hunters spot you, while Deep Blue looks new for a long time.

<b>1348 Orange</b>	<b>\$40.00</b>
<b>1349 Blue</b>	<b>\$40.00</b>

**BILLS BAG 2.2** For a personal-sized gear bag, try the Bills 2.2. Measuring 10" x 15" x 25" packed full, this bag provides enough space for one person's gear for most any trip. Same closure method and quality materials as the 3.8 bag. Deep Blue.

<b>1351 Blue</b>	<b>\$38.00</b>
------------------	----------------

**BILLS BAG 1.2** This smallest version (7" x 12" x 25") has all the quality Bills Bag features but with a 1.2 cubic foot capacity. It's just the ticket for ski or hunting trips so your extra sweater or lunch is dry and at hand. Deep Blue.

<b>1352 Blue</b>	<b>\$33.50</b>
------------------	----------------

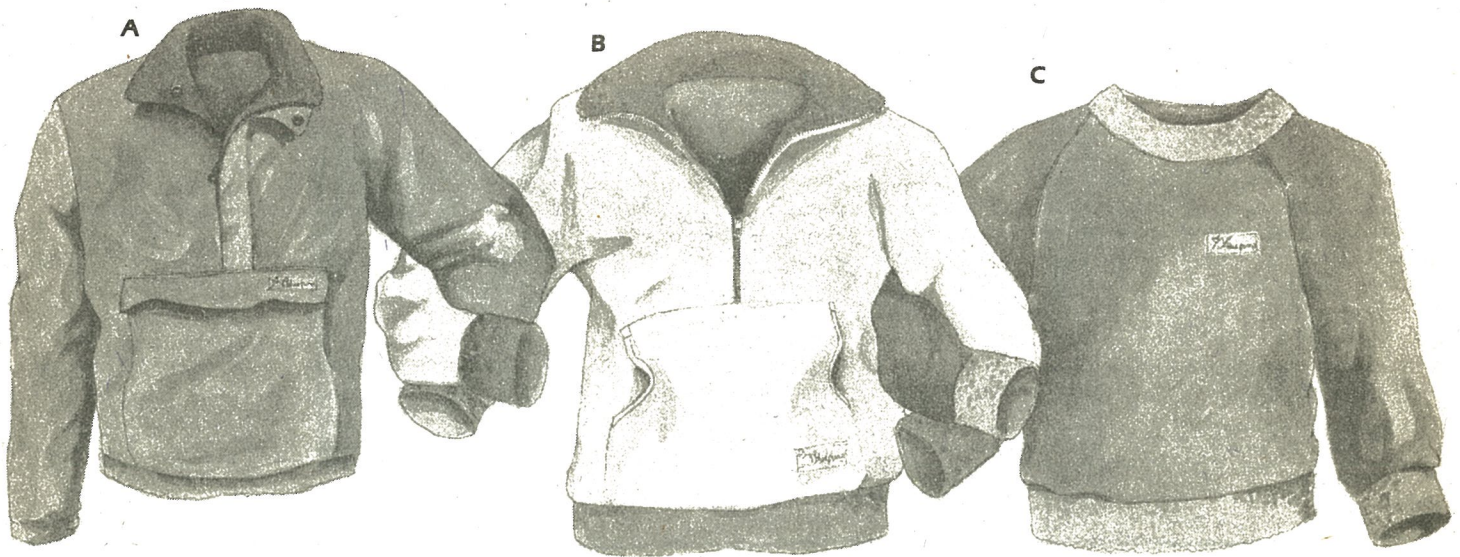

**NRS RESCUE ROPE** Why take a chance? Every raft, kayak, and canoe on the river should be equipped with a rescue rope. The NRS Rescue Rope comes in a bright yellow nylon bag complete with a thick ethafoam block for flotation. The bag is equipped with 65 feet of floating 3/8" Pro-line rope, colored orange for good visibility in turbulent water. The Rescue Rope features a drawstring closure with a spring toggle for quick emergency access. The 1" webbing loop is handy for attaching the NRS Rescue Rope to a carabiner or snap. It's a good idea to practice with the rope before going on the river. Instructions included.

<b>1307 NRS Rescue Rope</b>	<b>\$19.00</b>
-----------------------------	----------------

**RIVER CAMPING** Verne Huser shares with whitewater enthusiasts and armchair paddlers alike the how-to of getting the most out of a river camping trip. Large format, beautifully produced with over 150 photographs, 154 pp. Now at a special low price. (Order early, quantities limited.) A big savings off of the regular price of \$12.95.

<b>1583 River Camping</b>	<b>\$5.00</b>

### SAVE 20% ON ALL BLUE PUMA CLOTHING

**BLUE PUMA PADDLING JACKET** Wear this jacket over your paddling sweater, and you'll find yourself comfortable and dry even in adverse weather conditions. The neoprene neck closure (with velcro tabs and ventilation zipper) combines with the extra length zippered neoprene cuffs to seal out water at your neck and wrists. The raglan sleeves give excellent arm and shoulder mobility, the drawstring waist lets you adjust the jacket for a good fit, and the zippered chest pocket provides convenient storage. A "tooth-hold" on the cuff lets you zip the nylon zipper with one hand. Material is navy Super K-Kote taffeta with red trim. See sizing chart.

1509-XS, S, M, L, XL

\$39.95

**B BLUE PUMA SWEATSHIRT** Perfect for fighting off the cold, the Blue Puma Sweatshirt features smooth Antron nylon on the outside to resist snags and abrasion, and fleecy nylon pile on the inside for warmth and comfort. A fleece-lined kangaroo pouch

will warm your chilled hands and keep small items handy, and since nylon pile absorbs little water the sweatshirt dries fast if it gets wet. The 3.5" stand-up collar can be worn snug or unzipped. Navy with royal blue trim. See sizing chart.

1533-XS, S, M, L, XL

\$36.00

**C BLUE PUMA PADDLING SWEATER** Made of durable Antron nylon pile, the Paddling Sweater is warm, lightweight, non-restrictive, and dries in a breeze. The  $\frac{3}{4}$  length sleeves don't interfere with the cuffs of your Paddling Jacket and there's a fleecy crew neck for extra comfort. Available in bright yellow, or navy with royal blue trim. See sizing chart.

XL 42"-44"

**A BOATER'S JACKETS AND PANTS** Blue Puma has built a solid reputation by combining innovative design, quality materials, and careful construction in all their outdoor gear, and their Boater's Jacket and Pants are in keeping with this tradition of excellence. Made of coated taffeta, both Jacket and Pants will shed rain and wind to keep you comfy in the worst weather conditions. Buy now and save 20% off the '84 catalog price.

The pullover Boater's Jacket features a cozy pile-lined collar which zips up snugly when you need the warmth, or opens for good ventilation. The double front provides zippered storage and a pile-lined hand-warmer pouch. Elasticized cuffs with sturdy brass snaps complete your comfort.

1514-XS, S, M, L, XL

\$32.00

The Boater's Pants have 6 oz. pack cloth reinforcement where you really need it — in the seat and knees. The Pants open wide at the waist and ankles so it's easy to pull them on or off. The elasticized waist is secured with snaps and locking zippers, and the ankles have a snug Velcro closing. There's also a handy bellows thigh pocket. Waist sizes: S (26"-28"), M (30"-32"), L (34"-36"), XL (38" +) Royal Blue.

1519-S, M, L, XL

\$33.50

**PILE PANTS** The high-tech lightweight alternative to wool, these pile pants feature adjustable bungee cord waist, an inner pocket, and locking ankle zippers. The legs are cut long and designed to be turned up if necessary. Available in royal blue. Waist sizes: S (up to 30"), M (32"-36"), L (38" +).

1544-S, M, L

Need a 1984 catalog? Call 1-208-882-2383.

**CARGO PLATFORM** A 24 oz PVC-coated nylon material gives the Cargo Platform enough strength to support large loads, so don't be afraid to pile on the gear. We've added D-ring attachments at each corner to make it easy to secure your bags and boxes. Six adjustable, heavy-duty 1" webbing straps cross beneath the platform for extra strength, then stretch a full 48" beyond to reach raft D's, thwarts, or a frame assembly. Designed to fit the NRS Sport II, but it works well on most any raft 16' or smaller (longest side: 41.5"). When not in use, the Platform folds down into a compact, easy to store bundle.

1277 Cargo Platform

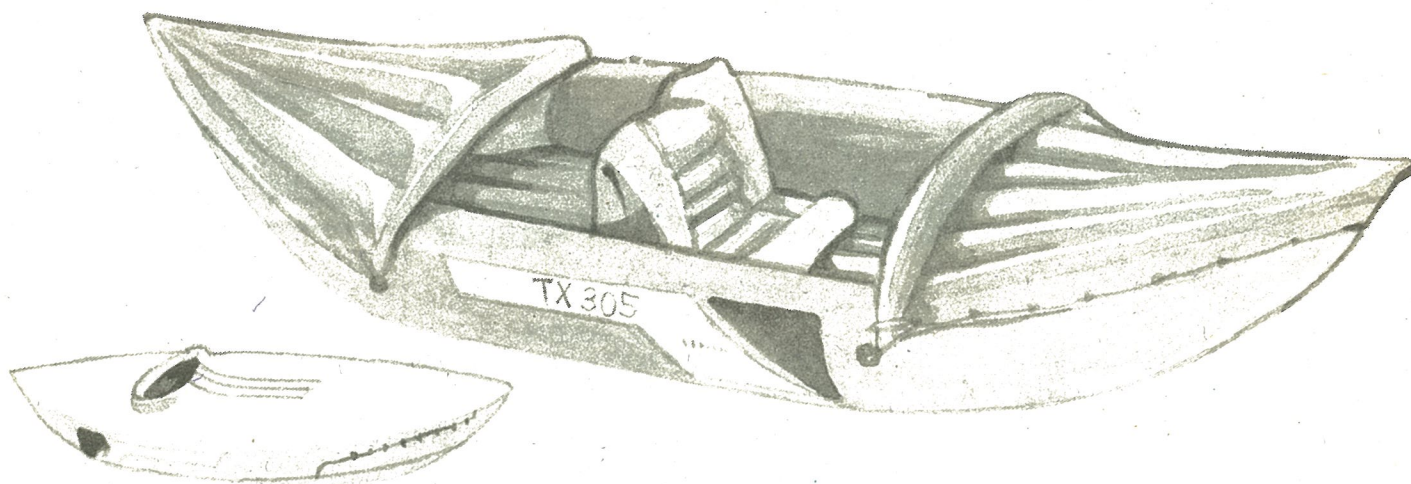

\$31.50

**CARGO NET** Still packing your raft while others are waiting? Here's what you need at a down-to-earth price! Secure your gear with this handy Cargo Net made of extra heavy polypropylene mesh (3" squares) bordered with a very durable 2" polypropylene webbing. The Cargo Net measures 80" x 60" and is shaped by the webbing to resemble a raft stern compartment. Just toss it over your gear, tighten the heavy duty straps to the raft D-rings, and you're ready to go. Too large or too small? Just gather some mesh or adjust the straps and you'll have the perfect fit.

1384 Cargo Net

\$38.50

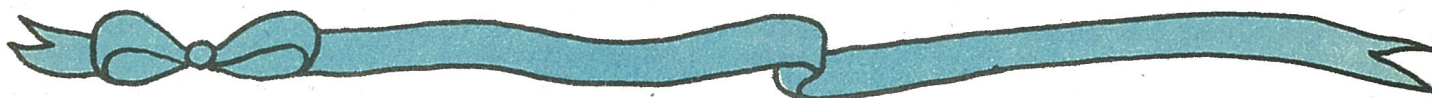

**SEVYTEX TAHITI** To build the Sevytex Tahiti, Sevytor developed a heavy duty PVC material reinforced by ripstop polyester threads. This grating makes the boat far more durable, and provides a structural integrity absent in non-reinforced inflatables. At 12'6" x 3', the Sevytex Tahiti can carry two people comfortably, or one person and enough gear for an expedition. The 10" bow and stern rise and ribbed decks help the boat shed water. It weighs 40 lbs and can be rolled into a compact 18" x 24" bundle. For toughness, performance, and paddling pleasure at an excellent price, the Sevytex Tahiti is a sure winner. For those who

prefer to go the solo route, we now have available the Sevytex 305, a smaller version of the ever popular 375. Measures in at 10' (L) x 2'8" (W). The Sevytex 375 Package includes the Sevytex 375, the 8 ft. Carlisle Breakdown Paddle, a lightweight plastic foot pump, and a Vinyl Repair Kit.

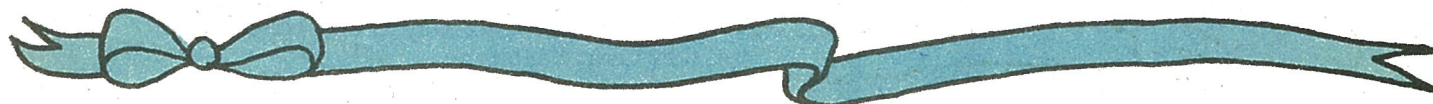

<b>1716</b> Sevytex 375	<b>\$265.00</b>
<b>1717</b> Sevytex 375 package	<b>\$300.00</b>
<b>1731</b> Sevytex 305	<b>\$245.00</b>

Ask about the optional spray skirt for TX305 only.

**RIVER CHAIR** The River Chair is at home on the river or at your backyard barbeque. Constructed of sturdy, lightweight aluminum tubing with a durable knit polyester seat and back, it folds into a space-saving 24" by 20" by 6" package. With its contoured frame, the River Chair doubles as a canoe seat. One of our most popular items, the River Chair will make a great gift for any friend or family member.

<b>1783</b> River Chair	<b>\$19.95</b>
-------------------------	----------------

Our most popular books are great Christmas gifts for your favorite river runner — or winter reading for yourself.

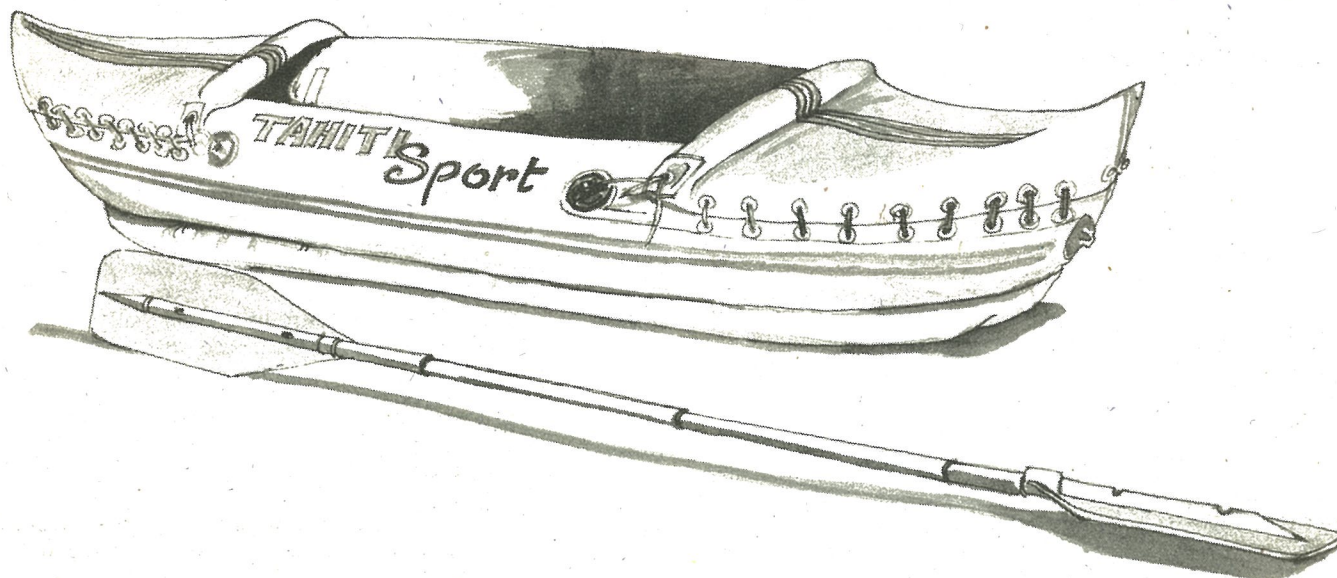

**HANDBOOK of the MIDDLE FORK of the SALMON** M. Quinn, James W. Quinn & James King use a rich combination of ground and air photos, drawings, and detailed river logs to describe the Middle Fork of the Salmon. Includes a mile-by-mile guide to the river's rapids with accompanying sections on river history, flora, and fauna. Spiral bound.

<b>1596</b> Handbook of the Middle Fork	<b>\$15.00</b>
---	----------------

**WHITEWATER RAFTING** This book by whitewater expert Bill McGinnis has become the most popular handbook of river runners across the nation. Includes chapters on equipment, reading and running whitewater, emergencies and first aid, food, cooking, camping. The latter half of the book covers selected American rivers by regions. Contains 361 pp, illustrated.

<b>1575</b> Whitewater Rafting	<b>\$8.95</b>
--------------------------------	---------------

**K-69 & K-79 TAHITIS** Sevylor Tahitis are America's favorite playboats. Even a beginner with just a little bit of practice can tackle whitewater or glide across a mountain lake. A Tahiti was the smash hit at one of our employee's family reunion (in Iowa!). Tahitis pack down to a compact bundle: the K-69 weighs 19 lbs, the K-79 only 22 lbs. Fully inflated the K-69 is 9'6" x 2'6" and the K-79 is 10'8" x 2'8". Sevylor builds these boats out of tough 20 gauge PVC material with electronically welded seams, three

separate chambers, and built-in inflation gauges, then backs them with a one-year guarantee against defects in workmanship and materials. The K-79 Package includes the K-79, the 8 ft. Carlisle Breakdown Paddle, a lightweight plastic foot pump, and a Vinyl Repair Kit.

**ROLL-A-TABLE & ROLL-A-STOOL** Our popular combo for camping comfort! The ROLL-A-TABLE provides a secure, even surface for card playing, cooking, or eating. No more dinner a-la-dirt! The ROLL-A-TABLE measures 32" x 32" with 27" aluminum legs that support up to 100 pounds. The roll-up top is made of completely enclosed water resistant wooden slats with a durable vinyl laminate cover that doubles as a carrying case. The table bundles down into a lightweight (11 lbs), convenient size (33" x 6") that's easy to strap into your raft.

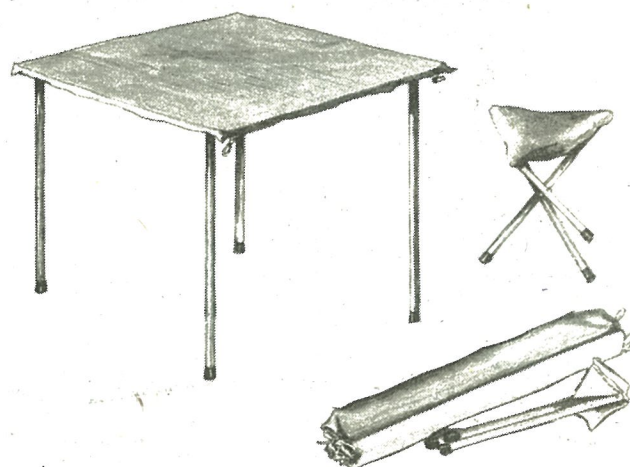

Pull up a ROLL-A-STOOL and seat yourself in comfort! The ROLL-A-STOOL stands 16" high and holds 250 pounds easily.

### THE COLORADO RIVER IN GRAND CANYON—A GUIDE

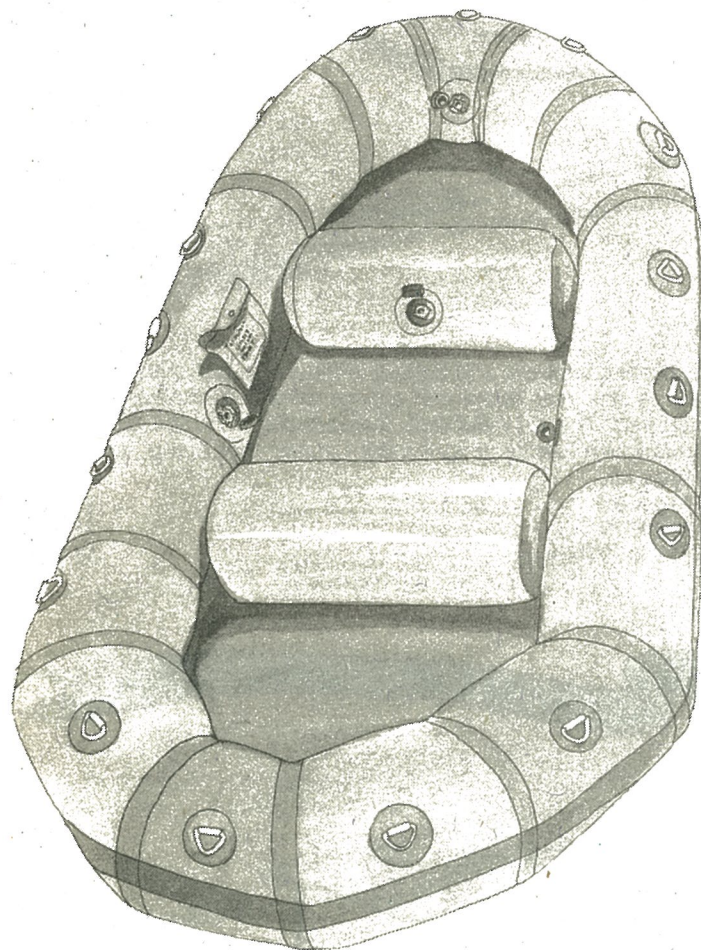

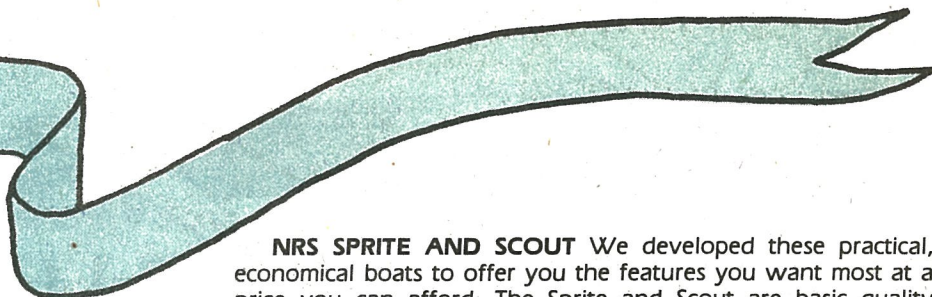

At last, a true labor of love dedicated to this most magnificent river run. Larry Stevens' book features concise introductions to weather, geology, human history, and river running. Most important is the complete river strip map which includes campsites and scouting points. The clear, concise exposition of the geology is great and the river guide section is superb.

**1605 Colorado River**

**\$11.25**

Need a 1984 catalog? Call 1-208-882-2383.

**NRS SPRITE AND SCOUT** We developed these practical, economical boats to offer you the features you want most at a price you can afford. The Sprite and Scout are basic quality transportation built with tough 840 denier material, our proven design, lots of D-rings, and many other touches that experienced river runners appreciate. The result of several years of development aimed at producing reasonably priced rafts suitable for both paddlers and rowers, Sprites and Scouts are very good values for your rafting dollar. As an introductory incentive, Northwest River Supplies is also offering up to a 15% discount on certain accessories bought at the same time.

The Sprite is a terrific paddling boat for four people, and a handy rowing boat (with frame) for two or three. The Sprite has an 8" bow rise to help it ride over those big waves and large 16" tubes for a drier ride. The raft has been constructed to give an exciting but stable whitewater ride.

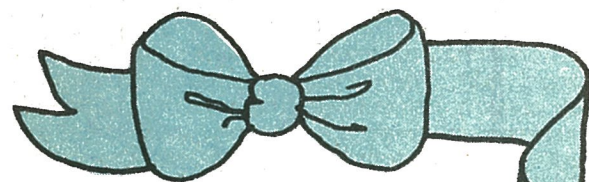

For added safety we divided the tubes into four air chambers, added two sewn/glued cross thwarts for stability, and positioned 12 large D-rings for lashing on your frame and gear. The Sprite carries the NRS six-month guarantee against defects in workmanship and materials (extended through August 1985). It weighs 65 pounds and is shipped motor freight prepaid.

**SPRITE SPECS:** 11'10" (L) by 5'9" (W) with 16" tubes; 8" bow and stern rise; 30" (L) by 36" (W) center compartment; 840 denier 35 oz neoprene tube material; 840 denier 43 oz neoprene floor material.

The Scout is a larger boat for an oarsman and three passengers or up to eight paddlers. By giving the Scout a 10" bow and stern rise we shortened the waterline considerably to make the raft very maneuverable for a boat its size. Featuring the same durable construction as the Sprite, the Scout is backed by the NRS extended 6-month guarantee against defects in workmanship and materials. The Scout weighs 90 pounds and is shipped motor freight prepaid.

**SCOUT SPECS:** 14'5" (L) by 7' (W) with 20" tubes; 10" bow and stern rise; 43" (L) by 43" (W) center compartment; 840 denier 35 oz neoprene tube material; 840 denier 43 oz neoprene floor material.

<b>1010 Sprite</b>	<b>\$450.00</b>
<b>1011 Scout</b>	<b>\$585.00</b>

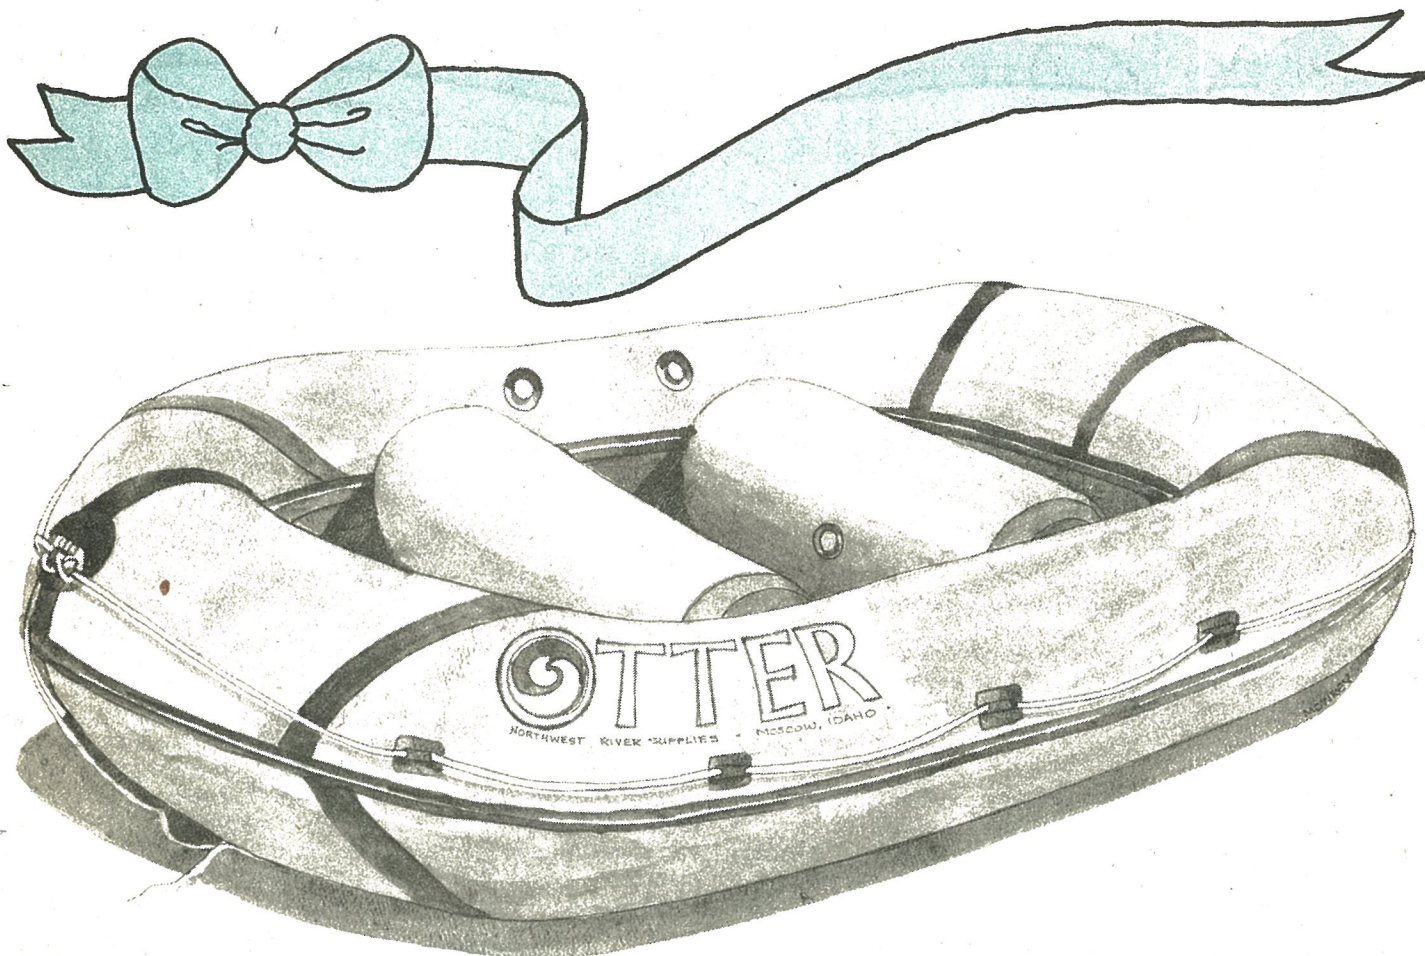

**TAKE ALONG SOME FUN!!!!** While away those rainy river trips with Sportcribbage and Sportgammon — compact, waterproof versions of these all time favorite board games. Each weighs a mere 3 oz and comes packed in its own cloth case. They're small enough to fit inside an X-Small Tuff Sack, too!

<b>1749 Sportcribbage</b>	<b>\$8.00</b>
<b>1750 Sportgammon</b>	<b>\$8.00</b>

**5 FINGER GLOVES** A Perfect Gift Item! Designed for those really cold days on the water, these 5-Finger gloves are a necessity for protection against cold winds or waves. Constructed of 1/8" neoprene, the glove is first glued, then blind-stitched to make it durable enough to stand up to the roughest wear. The glove is preformed to give a comfortable fit, and the royal blue palm has been rubberized for excellent grip. With black around the back and up the wrist, the glove has a very distinctive look. Sizes available S, M, L.

<b>1460 5 Finger Gloves</b>	<b>\$20.00</b>
-----------------------------	----------------

**NRS OTTER** We thought the river world was ready for a well-designed, sturdy, inexpensive raft, and the reception that the NRS Otter has received has proven that we were right! The Otter is a responsive paddle raft and is now the preferred craft for both serious boaters and family floaters.

Designed for maximum whitewater excitement at a great price, the NRS Otter breezes through fast drops and maneuvers easily in tricky rock gardens. The parabolic bow chamber increases gradually in diameter from 16.5" to 24", and an enlarged rear chamber supports the stern paddler and helps prevent swamping from the rear by big waves. Two inflated cross thwarts (which provide additional seating, rigidity, and buoyancy) are carefully placed to give paddlers maximum comfort and bracing capability. For added safety, the two main air chambers are formed at the front and back rather than side to side, and all chambers have recessed military-style valves for quick inflation/deflation.

The NRS Otter's durability and longevity are due to the reinforced 840 denier nylon fabric floor and the 420 denier nylon fabric tubes, protected by a tough rubberized coating that makes the NRS Otter airtight and resistant to abrasion and weathering.

The NRS Otter offers more fun per dollar than any other raft on the market, and though our manufacturer is already passing increased costs on to us, you can still buy the Otter at 1984 prices. Outfit yourself for paddling or rowing for less than \$300.00! The Otter carries our limited 6 month warranty against defects in materials and workmanship. Shipped prepaid-UPS.

**1012 NRS Otter** **\$235.00**

**OTTER PADDLER'S PACKAGE** Everything you need to have a high-floating good time on the river in one affordable package. At the core of the Otter Paddler's Package is the tough, affordable, and responsive NRS Otter. With it, we've included our NRS Foot Pump, and four Carlisle Economy paddles. For maximum

adaptability, two paddles in the Paddler's Package are 54" and two are 60" in length. If you need all 60" or all 54", just ask. Shipped UPS prepaid.

**1013 Otter Paddler's Package** **\$295.00**

**OTTER OARSMAN PACKAGE** If you'd rather row than paddle, get the Otter Oarsman Package. Along with the NRS Otter, you get the NRS Foot Pump, 2 six-foot Carlisle Economy Oars, a Plywood Motor Mount (2 h.p. maximum), Rubber Oarlocks, a pint of Carboline adhesive, and a roller rasp. We'll also ship you the whole Package UPS prepaid!

**1018 Otter Oarsman Package** **\$295.00**

**OTTER ACCESSORIES** While the Otter was designed primarily as a paddle boat, we offer a pair of suitable 6 foot oars for rowers. These Carlisle oars have 5.5" wide blades and rigid, thick walled aluminum shafts. They're used in combination with the glue-on rubber oarlocks. For motorists, there is a plywood motor mount with necessary hardware (2 horsepower maximum). An inexpensive and dependable foot pump for the NRS Otter is the Budget Foot Pump.

**1015 Otter Motor Mount** **\$20.00**

**1016 Otter Rubber Oarlocks** **\$12.00 pr**

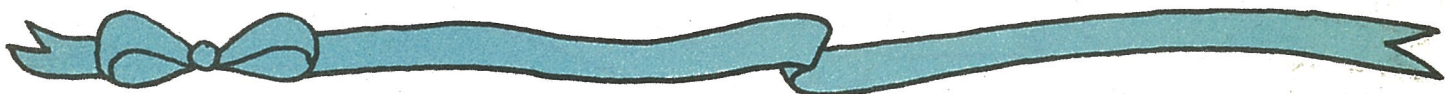

**1107 6 ft Carlisle Economy Oar** **\$13.50 ea.**

**OTTER PLATFORM SET** Otter-owners out there — take note! Here's an extra-special offer on our Otter-sized Cargo Platform. Buy the Otter Platform (#1276) and get 5 Otter D-ring patches (#1242) and a 3 oz tube of Carboline glue (#1166), everything you need to attach the Otter Platform to your raft. A \$53.75 value for only \$35.00!

**1299 Otter Platform Set** **\$35.00**

**HEAD GASKET** A very comfortable neoprene visor — and it stays in place. The Head Gasket is great for kayaking 'cause it fits under a helmet. Stuffs easily into a pocket when you don't need it.

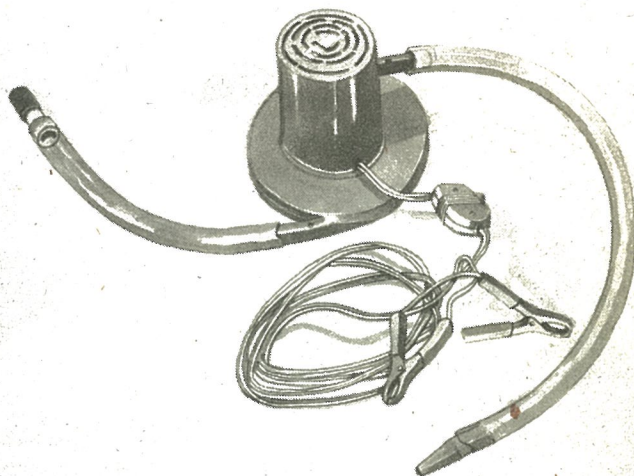

**1300** Head Gasket

**\$5.75**

**CROAKIES** These adjustable neoprene eyeglass holders are the comfiest, most inexpensive insurance possible to avoid a disastrous loss while shooting through big holes and standing waves. Available in assorted colors, let us choose one for you.

**1282** Croakies

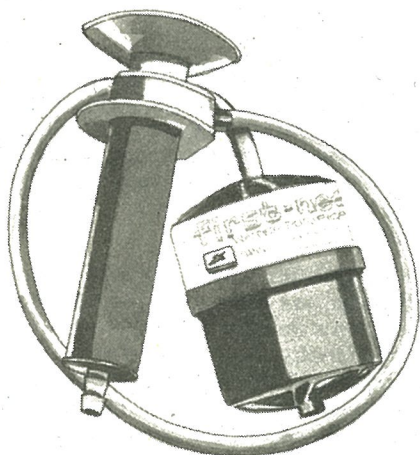

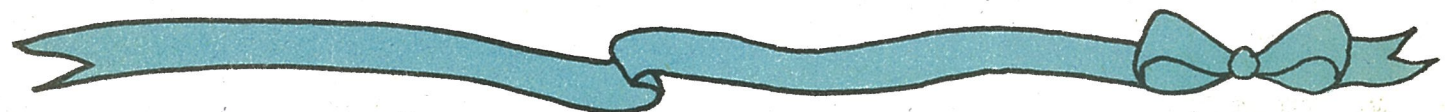

**\$4.00**

**DOWCO AIRE PUMP** Dowco's newly redesigned air pump features a steel fan blade that will not warp under prolonged use, as well as a tough ABS casing that's vented to prevent heat build-up. Operation is quick and simple; attach it to a 12 volt battery and it produces up to 1 p.s.i. You can inflate a 14 foot raft in under five minutes. The dual hose couplings fit military-style valves, with adapters for small brass Udisco-type valves and air mattresses. Comes with a one-year limited warranty.

**1142** Dowco Aire Pump

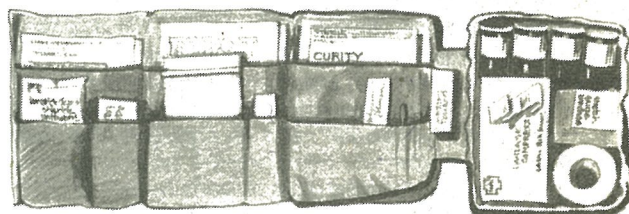

**\$32.00**

**"FIRST NEED" WATER PURIFIER** Finally, a way to avoid the dingy, smelly, "purified" drinking water that you often get when using tablets as purifiers. The First-Need is designed to remove disease causing organisms (bacteria and Giardia) and capture chemical and other organic contaminants while still leaving dissolved minerals and salts necessary for good taste. It is compact, lightweight (12 oz), and simple to operate. The 2-part unit pumps out about a pint of purified water in less than one minute. Instant purification easily, with no chemicals, no waiting time, and no foul tastes. We've tried them all and this one gets our vote for protection and convenience.

**1789** First Need

**\$39.95**

**FIRST AID KIT** Would you be ready to handle an outdoor injury? Outdoor Research makes serious first aid kits for medical emergencies. Their Compact Kit fits perfectly into a Guard Box and offers an appropriate assortment of supplies, organized in a zippered pack cloth pouch, fully visible for instant use. Weight 14 oz. The Deluxe Kit contains all the supplies recommended by The Mountaineers and is a good choice for those who go on extended wilderness floats. Weight 21 oz. BE PREPARED!

**1771** First Aid

**\$29.00**

**1772** Deluxe First Aid

**\$37.50**

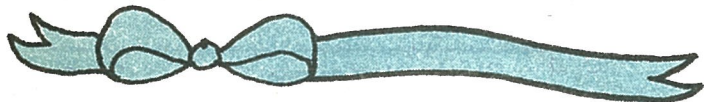

**TUFF SACKS** If you need a bag as tough as the Bills Bag, but with a simplified closure system, then the Tuff Sack is the bag for you. The sturdy fabric is 18 oz PVC/Dacron, and the roll-down closure has a convenient Fastex buckle that's a fastener and handle all in one. Tuff Sacks come in two models: the original velcro closure or the new ziplock closure. The velcro closure lets you get gear in and out quickly and provides a large opening. The ziplock gives your gear the added insurance of its watertight closure. Either model is great for organizing your gear inside a Bills Bag. For cross-country skiing, snap the extra-small Tuff around your belt to hold your wax kit, or snap it on your canoe thwart while duck hunting. Tuff Sacks come in four sizes: Extra-Small (4.5" x 4.5" x 12"), Small (5.5" x 5.5" x 14"), Medium 6.5" x 6.5" x 22"), Large (7.5" x 7.5" x 28"). Extra-Small Tuff available in Orange; Small, Medium, and Large Tuffs in Blue.

Need a 1984 catalog? Call 1-208-882-2383.

**OUTDOOR ORGANIZER** Get your river act together with Outdoor Organizers. These handy zippered pouches from Outdoor Research of 8 oz pack cloth fold out to reveal an amazing amount of storage space that's just right for stashing all those little (and easily misplaced) things. Available in 2 sizes: medium (5 $\frac{3}{4}$ " x 10 $\frac{3}{4}$ " x 2") and small (5 $\frac{1}{4}$ " x 6 $\frac{3}{4}$ " x 2"), each with a large see through zippered pouch. Three compartments fold-out with sewn-in pockets. Get one for kitchen gear, another for your repair items, a third for toiletries or make your own first aid kit. You'll wonder how you ever lived without them!

1752 Medium Outdoor Organizer	\$18.00
1751 Small Outdoor Organizer	\$15.00

**D/L BAG** You can't get more bag for your money! The D/L Bag (12" x 18" x 40" packed full) is made of incredibly durable 28 oz PVC/Dacron, and is great for bulky equipment (sleeping bags, tents and similar oversized objects). It has a watertight ziplock roll down closure, held with a Fastex buckle. The bag is designed to stay open to allow quick packing and easy access to your gear. Two grommets on the bottom make for convenient tie-down.

1381 D/L Bag	\$28.50
--------------	---------

**DRY FASHION DRYSUIT** This is the ultimate cold weather watersport garment. Originally designed for windsurfing, it works great for river running in a kayak, canoe, or raft. The Dry Fashion Drysuit is unique because its stretchy material offers excellent freedom of movement. The Avilastic material keeps water out and "breathes" to prevent moisture build-up from perspiration under the suit, so you stay dry. The suit is so lightweight and comfortable that you may not believe you've got it on. The warmth of the suit can be increased by what you wear underneath: we recommend heavy pile undergarments for the very cold spring runoff and polypropylene underwear for somewhat warmer water. The suit is cut full and has rubber closures on the neck, wrists, and ankles. A waterproof zipper across the back provides entry and exit. With this suit you will be able to enjoy the rivers practically year 'round. Please specify height and weight when ordering. Special: We will give you a pair of NRS Wet Shoes (#1430) to go with each Drysuit you purchase. (Be sure to specify shoe size.)

**1840 Dry Fashion Drysuit**

**\$249.00**

**WATERLINE WETSUITS** Our Waterline Wetsuits combine function with good looks to protect you on those shivery fall river trips. By binding tough nylon fabric to both sides of a quality 3mm (1/8") thick neoprene, we found a perfect combination for extreme weather protection. All seams are lock-stitched with dacron/polyester thread, resulting in a flat seam that is very comfortable against your skin. Nylon braid reinforces each seam and edge, and gives the suit a distinctive look. Raglan sleeves give free movement through the arms and shoulders without underarm bulk. The Waterline is backed with a lifetime guarantee against defects in workmanship and materials. Contact us for information about custom suits and add-on accessories. Men's sizes: S, M, ML, L, XL. Women's sizes: S, M, L.

**WATERLINE FARMER JOHN** This sleeveless suit is cut like a farmer's bib overall, with rounded neck, deep armholes, and Velcro shoulder opening with snap. Leg zips offer easy pull-on and take-off, and generous padding protects the knees and shins. The suit is blue and navy, so you're not only warm on the trip, but you look great as well.

**1402 Men's Waterline Farmer John** **\$87.50**

**1408 Women's Waterline Farmer John** **\$87.50**

**WATERLINE JACKET** This extra long jacket is styled for comfort and warmth, with a stand-up collar, full-length front zipper, and wrist zips. Combined with the Farmer John, you'll have two layers of protection over the vital upper body areas.

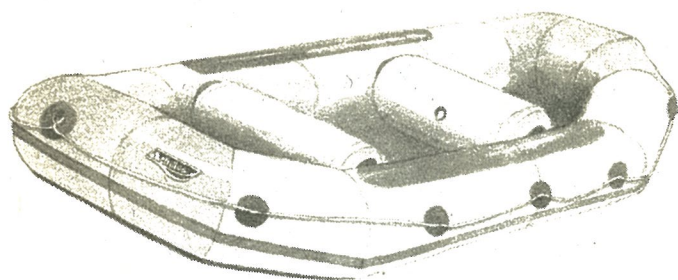

**1393 Men's Waterline Jacket** **\$65.00**

**1399 Women's Waterline Jacket** **\$65.00**

**Waterline  
Wetsuit Sizing Chart**

Large	36-38	26-28	125-145	5'5"-5'10"	36-40

**POLYPROPYLENE UNDERWEAR** Keep warm and save on Bellwether polypropylene underwear. The secret of polypropylene underwear is its ability to wick moisture away from your skin while at the same time providing a very effective thermal insulation layer. Made of high quality 8.5 oz polypropylene with a fleecy inner layer to baby your skin and a smooth outer layer to help prevent bunching and upward "creep," these garments are lightweight, durable, and extremely comfortable. The crew-neck undershirt features full length sleeves with knit cuffs. This underwear should definitely be on your Christmas gift list for all your out-doorsey friends and relatives!!!  
 Shirt sizes: XS (30"-32" chest), S (34"-36"), M (38"-40"), L (42"-44"), XL (46"+). Pants sizes: XS (up to 27" waist), S (28"-30"), M (32"-34"), L (36"-38"), XL (40"-42").

<b>1496-XS, S, M, L, XL</b>	Polypropylene Underwear Pants	<b>\$16.95</b>

**WATERLINE UNIVERSAL** Combining the warmth of a wetsuit with the mobility of a paddling jacket, we came up with this unique suit. It has a full length zipper, stand up collar, ankle zips, and rugged nylon sleeves with neoprene cuffs. On sale now at \$25 off.

<b>1442 Men's Waterline Universal</b>	<b>\$90.00</b>
<b>1447 Women's Waterline Universal</b>	<b>\$90.00</b>

Pick up a yellow and gray **Achilles CV 126** or **CV 140** raft at a super special price this fall and be ready for spring runoff excitement next year.

The CV Raft series combines the quality materials, advanced design, and meticulous workmanship of the Achilles RV and SV series in a less expensive raft. 80% Hypalon calendered to super tough Nylon 66 make a quality 420 denier tube fabric; the floor is Nylon 66 840 denier fabric calendered with high density neoprene, brought up in a 75 degree wrap to further protect the lower tube. All seams and material are backed by Achilles' special five year guarantee.

The **CV 126** is our choice for a versatile, compact boat for any river and all occasions. It handles beautifully as a rowing boat for two or three people and gear, or it can accommodate four, five, or six as a paddle boat.

**CV 126 SPECS:** 12'6" (L) x 6'1" (W) with 18" tubes; 12" bow and stern rise; 39" (L) by 36" (W) center compartment; 420 denier 37 oz 80% Hypalon tube material; 840 denier 48 oz neoprene floor materials; 12 mounted D-rings; weighs 75 lbs.

If a bigger boat is what you're after, consider the CV 140. It's ideal for a family-sized rowing raft, and with its 19.5" tubes and 6'10" width, it makes a great group paddle raft as well. If you are after top quality in a light weight boat, you can't beat the CV 140. Both CV rafts are shipped motor freight collect.

**CV 140 SPECS:** 14'6" (L) x 6'10" (W) with 19.5" tubes; 11" bow and stern rise; 43" (L) by 42" (W) center compartment; 420 denier 37 oz 80% Hypalon tube material; 840 denier 48 oz neoprene floor material; 13 mounted D-rings; weighs 100 lbs.

**CV 140 BIGHORN PACKAGE** Same equipment as the Sport II Bighorn package but includes Achilles CV 140 instead of the Sport II. Shipped motor freight collect.

**1025 CV 140 Bighorn Package** **\$1,515.00**

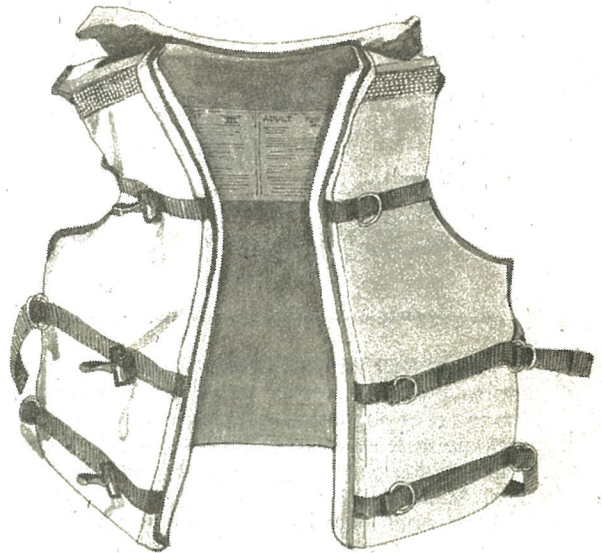

**DELTA RAFTING JACKETS** Super-comfortable DELTA RAFTING JACKETS are a super bargain at our close-out price.

The Delta Rafting Jacket's 22 lbs. of flotation is provided by soft closed-cell Aquafoam inserts enclosed in a rugged orange nylon oxford cloth shell. U.S. Coast-Guard ratings approve its use by commercial outfitters as well as recreational boaters.

This Rafting Jacket can be quickly and easily adjusted to fit people of many shapes and sizes. The Small/Medium will fit adults weight from 90-195 lbs., chest sizes 30"-43". The Rafting Jacket also offers positive, one-handed adjustment so it can be quickly cinched snug as the raft slips towards the next big rapid.

Another design feature which makes this product perfect for rough-water use is the tubular flotation collar that won't flap up and obscure your vision even if you look back over your shoulder in a tail-wind.

This special offer is limited to stock on hand. Don't miss these great savings!  
**1310 Delta Jacket Sm/Med \$35.00**

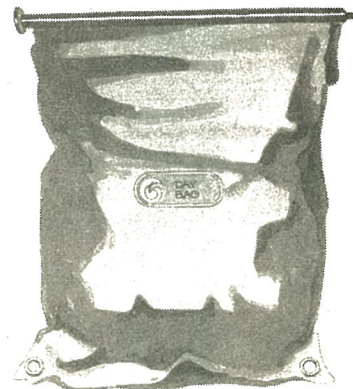

**NRS FOOT PUMP** Built to high standards by a leading German manufacturer, the hard rubber body of this pump is molded over a steel shank to make it virtually indestructible. The 250 cubic inch volume makes for rapid inflation. Molded grooves provide a good grip.

The NRS Foot Pump has Trevira bellows coated with tough synthetic rubber molded to 8" x 12" rubber coated steel foot plates, steel hinge, inflation/deflation ports, and 54" clear vinyl inflation hose. Either the three part plastic or the rubber adapter will fit most valves (including military valves).  
**1151 NRS Foot Pump \$37.50**

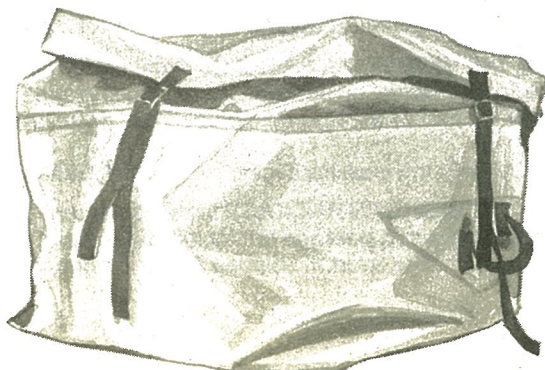

**NRS GEAR/DAY BAGS** On sale now! Waterproof storage for the budget-minded sportsman is provided by both the Gear and Day Bags, which feature a patented watertight slide closure, envelope style construction, two corner grommets, and 18 oz PVC/Dacron material. The Day Bag has a 12" opening and is 17" long with closure in place; Gear bag has a 20" opening and is 30" long. Available in Blue.

**1354 NRS Gear Bag \$19.00**  
**1356 NRS Day Bag \$12.00**

**KITCHEN BAG** The ultimate bag for hard-to-manage equipment or kitchen utensils, this durable bag is built of extra tough 28 oz PVC/Dacron. The rectangular bottom (18" x 23") helps you to stack (and have quick access to) your kitchen gear. The closure system has a roll down top with a ziploc closure and a Fastex buckle. To help protect the closure, we have added an overlapping top flap featuring Fastex hardware. It also has 1" web carry handles on each end for easy hoisting.

**1382 Kitchen Bag \$52.50**

**PHONE ORDERS** For orders only, call toll free: (800) 635-5202. (From ID, AK, HI, and Canada please call (208) 882-2383.) We accept phone orders Mon-Fri 8:30 a.m.-5:30 p.m. (PST) and Saturdays (Mar-Aug), 9:00 a.m.-5:00 p.m. To ensure accuracy, please fill out an order blank before calling. Mastercard, VISA, and UPS-COD orders are accepted. On each COD package there is a minimum collection fee of \$2.00. We only accept cash for COD payments.

**QUESTIONS?** Our customer service representatives are anxious to clear up any questions you may have regarding our products, special handling, returns or the status of an order already placed. Please call (208) 882-2383 for these inquiries. You may also place your order on this customer service line.

**UPS BLUE LABEL** UPS Blue Label is available to all areas of the US except ID, WA, OR, MT, AK, and parts of HI. Please call for an estimate of charges. We cannot ship flammables via UPS Blue Label.

**SHIPPING INFORMATION** We are proud of our fast, dependable service. If your order cannot be filled and shipped within three working days, we will let you know what the problem is and when you can expect shipment. We process and ship orders via surface UPS or Motor Freight for only \$2.00. Motor Freight charges will be collect (you pay the delivering carrier upon receipt) except as noted in the catalog. Whenever possible, we ship via UPS; however, IF YOU USE A PO BOX AS THE "SHIP TO" ADDRESS, WE MUST USE PARCEL POST, WHICH IS SLOWER AND MORE EXPENSIVE (SEE BELOW).

**PARCEL POST** If you request Parcel Post (US Mail) shipment of your order, please include 10% of the merchandise amount for mailing (\$2.00 minimum). We cannot ship flammables via parcel post.

**PRIORITY MAIL** Priority Mail (Air Mail) is available to all 50 states. Please call for an estimate of Priority Mail charges to your area. We cannot ship flammables via Priority Mail.

**RUSH** For Rush Service, call in your order before 10 a.m. (PST) and we will ship it the same day for an additional charge of \$3.00. This Rush Service is only available for UPS and Parcel Post orders.

**ALASKAN & HAWAIIAN CUSTOMERS** We normally ship to AK and HI by Parcel Post. However, your order can be shipped Priority Parcel Post (AK and HI) or UPS Blue Label (HI only), if you wish faster delivery. Surface Parcel Post charges are 10% of merchandise total; call for Priority mail charges.

**NRS GUARANTEE**

Northwest River Supplies guarantees your satisfaction with every purchase. When your order arrives, inspect it carefully. If, for any reason, you are not completely satisfied, please return it within 30 days for exchange or refund. Our manufacturers stand behind their products with honesty and pride. Their guarantees vary, but on products that prove to be less than satisfactory in use, we will do our best to work something out to your satisfaction.

**MORE SPORT II PACKAGES!**

**SPORT II WRAP UP** This boat offers the advantages of the Sport in a commercial model, with the floor material extending up to the mid-line of the tubes. **NRS WET SHOE** An excellent gift! We're proud to offer this well designed, durable substitute for your soggy, worn-out old sneakers. By contracting directly with the manufacturer, we can offer top quality at a very reasonable price. The uppers are constructed of warm, hardy 5 mm thick nylon-lined neoprene with glued and lock-stitched seams, which are covered with a reinforcing strip of rubber. Critical abrasion areas (toe cap, instep, heel cap) are coated generously with sturdy vulcanized rubber. The soles of these shoes have non-slip molded rubber tread for sure footing while padded insoles make portages much more bearable. With the six sizes offered, you should find it easy to get a good fit; note that the cut is slightly narrow for snugness. There is a one year warranty covering defects in materials and workmanship. Sizes: XS, S, M, ML, L, XL. Please specify shoe size when ordering. With comparable boots costing as much as \$37.50, we set our sale price at \$24.00 to give you big savings.

**1430 NRS Wet Shoe**

**\$24.00 pr**

**NRS SOCK** These lightweight 1/8" Nylon-2 neoprene booties are specifically designed to be worn inside sneakers or other footwear when you need an extra margin of warmth on cold weather river trips. Some mountaineers find them perfect as an extra-warm boot liner. At this price, there's no excuse for frozen toes. Men's sizes: S (6½-7½), M (8-9), L (9½-10½), XL (11-12). **Save \$3.00.**
