A playboater's must-have!

The Desperado Sock is the solution for boaters trying to fit into today's low-volume kayaks while offering enough protection for put-ins and portages. Comfortable, fitted 3-mm neoprene and PowerSpan upper combined with an extra 3-mm neoprene padding in the toes and heel for in-the-boat protection. A 1.5-mm rubber sole provides traction without compromising flexibility and feel. Fits snug. For a roomier fit, go up one size.

Safety and comfort for any adventure on the water.

The Mariner – our premier drysuit. Made with waterproof three-layer eVent® fabric, the most breathable material available. The removable hood, with its fleece-lined chin area, has three barrel-lock adjustments for a custom, non-binding fit. Rugged Cordura® on the seat and knees reinforces these high-wear areas. High quality YKK® entry zipper, latex neck and wrist gaskets and latex socks ensure your layers stay dry. Low-profile, removable internal suspenders and a webbing belt improve the fit. There's also an extra wide relief zipper for convenience and the splashproof zippered shoulder and thigh pockets keep essentials accessible. And, the extensive reflective tape and piping makes you highly visible in low light conditions.

Material: 50 x 100-denier 3-layer eVent®
