NRS HydroSilk™

Perfect for layering and sun protection.

Our 8-oz. nylon/spandex blend is cool and soft against your skin. UPF 50+ protects you from the sun's harmful rays making this an ideal solo layer in the summer. HydroSilk works great as a base layer in cooler temperatures, wicking moisture away from your skin and drying quickly.

**20%
OFF**

“Great shirt, looks awesome on. Wear alone on cool days or as a base layer on really cold days. Either way you'll look like a pro in it!”

"I belong in every boater's gear bag... because I'm warm, won't restrict your movements, work great by myself and play well with your other layers!"

**Confident, not pushy.
Humble, yet brilliant.**

NRS HydroSkin®

- 1- 0.5-mm neoprene core insulates and protects
- 2- 4-way stretch PowerSpan™ outer layer for unrestricted mobility
- 3- ThermalPlush™ inner lining increases insulation, repels moisture, and dries quickly
- 4- Titanium laminate adhesive aids body heat retention
- 5- DWR coating forces water to "bead" and roll off the material, reducing evaporative cooling

“Great fit, warmth, stylish. This top keeps me warm in my IK early summer through early fall, then under a drysuit for cold winter temperatures.”

-Barn E Boof,
Nevada

Keep your core warm without sacrificing mobility.

These NRS HydroSkin tops provide the ideal combination of core warmth and freedom of movement. They can be worn alone on cool days when you're looking to take the chill off, or as part of a layering system, with a thin thermal layer underneath and a heavier pile shirt on top.

There's nothing else like the Venus. It redefines wetsuits.

The Venus is built using super-stretch 3-mm neoprene and a Superspan exterior which combine to offer 30% more stretch and elasticity than other top-quality neoprene. The four-way stretch Extend™ interior material is silky smooth against the skin. Spandex sleeves offer more coverage and protection. This will be the most comfortable wetsuit you'll ever wear.

“I've used this wetsuit for almost a year now and have had absolutely no problems with it. It's comfortable, warm and doesn't restrict my paddling movements.”

-Patrick,
New York

Comfort and performance.

NRS Ultra John and Jane

The ultimate 3-mm wetsuit. Titanium insulation means it's warmer, ThermalPlush lining makes it more comfortable, and PowerSpan panels provide extra freedom of movement. All seams are glued and blind-stitched, and the seat and knees are armored with rugged ToughTex material. Don't forget the ankle zips that make NRS suits easy to put on or take off. The Jane features a convenient relief zipper and the John sports an extra-long double-pull YKK front relief zipper.

#2404 / \$36.95

HydroCuff™

The lips of the cuff curve inward to form a snug seal that helps keep out water and debris. There's no wrist strap to fumble with or restrict your movements, just a secure, stretchy closure that keeps in your warmth, while holding the elements at bay.

Innovation... NRS-style.

Waterproof and exceptionally warm without sacrificing paddle feel.

Is this for real? Fully waterproof LiquidSeam™ glued seams and 2-mm of neoprene warmth. The raw neoprene exterior provides unbeatable grip and repels water to eliminate evaporative cooling, for even more warmth. And we didn't stop there. The HydroCuff™ opening seals tight above the wrist to help keep out water and debris. Add slightly pre-curved fingers for gripping comfort and you've got a glove no one else has put a brand on.

NRS Maverick Gloves

Color: black

Size: XS-XXL

#2454 / \$39.95

Finally, a waterproof alternative for boaters.

This 2-mm neoprene glove, with titanium adhesive, has fully taped seams that make it completely waterproof up to the wrist. We've added the unique HydroCuff™ above the wrist. It fits snugly around your forearm to help seal out leakage. The rubberized "spider web" pattern on the palm gives you a positive grip and the slightly pre-curved fingers ease wearing comfort. This Rogue cheats the elements.

NRS Rogue Gloves

Color: black

Size: XS-XXL

#2453 / \$39.95

Factory tested...100% waterproof!

The Boundary Shoe pushes the limits of what a neoprene boot can do: it's a touring, canoeing and portaging dream. When wading is inevitable, you'll appreciate the knee-high, 5-mm neoprene upper that's glued, blind-stitched and double-taped to be totally waterproof. Comfy 7-mm insole atop a vulcanized rubber sole provides the protection and support you've come to expect from our footwear.

Based on our popular Paddle Shoe, this mukluk-style boot features a high-traction sole and instep strap for secure footing.

NRS Boundary Shoe

#2308 / \$84.95 

“They are very comfortable and definitely keep my feet warm and dry. The traction they afford really helps in launching and landing in areas other than boat ramps.”

-Castman,
Michigan

Strap cinch around calf to help seal out water

5-mm neoprene upper for warmth

Seams taped inside and out for total waterproofness

Padded ankles provide in-the-boat protection

Instep strap secures the shoe

100% Waterproof

Built high and handsome.

18" tall and waterproof to the top! Warm 3-mm neoprene is glued, blind-stitched and fully seam taped inside and out. The snug HydroCuff™ top helps keep out debris and water. Three-panel construction for foot comfort. Keep your feet dry and warm, in the boat and when getting in and out of it.

NRS Boundary Sock

Color: black

Size: XS-XXL

#2347 / \$69.95 

The ultimate high-traction, low-profile slip-on.

An improved HyperGrip® sole provides the best traction available, wet or dry. 2-mm neoprene upper protects your foot and ankle in and out of your boat. Adjustable, quick-release arch strap and adjustable heel strap ensure a secure fit — in a swim or on the trail. Multiple drainage points throughout the sole allow water to easily escape. From put-in to take out, NRS Attack Shoes will take you anywhere. Marking sole.

The must-have for any playboater.

The Desperado Sock is the solution for boaters trying to fit into today's low-volume kayaks while offering enough protection for put-ins and portages. Comfortable, fitted 3-mm neoprene and PowerSpan upper combined with an extra 3-mm neoprene padding in the toes and heel for in-the-boat protection. The neoprene HydroCuff™ grips your ankle helping keep water out and warmth in. A 1.5-mm rubber sole provides traction without compromising flexibility and feel. Fits snug.

For a roomier fit, go up one size.

NRS Desperado Sock

Color: red/gray, blue/gray

Size: XXS-3XL

#2348 / \$44.95

This Sasquatch isn't hairy or mythical.

But it's as rugged as that big fellow and comfortable and functional to boot. Plenty of room for your toes, low profile, flexible. The HydroCuff™ snugs above the ankle to keep out splash and trash. The textured rubber in the sole contains recycled rubber and gives good traction and protection from rough terrain. A hook-and-loop instep strap securely locks the shoe to your foot. Rugged rubber wraps up from the sole to protect the sides, top and heel of your foot. If you want a great boating shoe, make tracks in your NRS Sasquatch.

ABCs of PFDs

NRS offers a wide selection of Coast Guard-approved Personal Flotation Devices (PFDs) from leading manufacturers. Before you venture onto the water, find the right PFD here or on the web at nrsweb.com/pfds.

PFD STYLE:

LOW PROFILE: Popular among those with shorter torsos, women and kayakers.

Flotation is centered lower on the torso. Flotation panels tend to be smaller in size yet thick. Design flotation: 15.5 – 18.5 lbs.

MEDIUM PROFILE: Used by a wide range of boaters. Flotation is distributed throughout the torso area.

Flotation panels tend to be larger but thinner than in the Low Profile models. Design flotation: 15.5 – 18.5 lbs.

HIGH PROFILE: Preferred by outfitters, big water boaters and non-swimmers.

Flotation is distributed throughout the torso area. Flotation panels tend to be large and thick. Design flotation 22.0 – 27.0 lbs.

RESCUE: For those with swiftwater rescue training.

Flotation is Low to High Profile. Equipped with a quick release rescue belt and reinforced shoulder straps. Design flotation: 15.5 – 27.0 lbs.

CHILD/YOUTH PFDs: Child specific configurations of flotation to fit young people's growing bodies.

Design flotation: All vests meet U.S. Coast Guard requirements.

LOW PROFILE

Willis & Bella Type III PFDs by Astral

Astral's FOAM Tectonics lets the outer foam panel conform to your body's shape and movements, while the inner panel remains snugly in place. Buckled side entry, large pocket, knife tab, handwarmers. The Bella™ is styled and cut for women. These are two sweet, high-performance life jackets.

Design Flotation: 15.5 lbs.

Size: S/M, M/L, L/XL

#42100 / \$114.95

"Great design for the fisherman, however very functional for any recreational paddler. Ample pockets with lots of space. High back pad makes it extremely comfortable with kayaks that have adjustable seat backs! Great Product!"

★★★★★ 5.0

OMG BBQ, Tennessee

Chinook Type III PFD by NRS

The Chinook fishing PFD has pockets stacked on pockets for almost unlimited storage. The roomy front-entry design is easy to wear in all conditions, and 8 adjustment points let you customize the fit. The ventilated mesh back panel is slimmed down low for greater comfort in kayaks with high seatbacks. Features 8 front pockets for everything from small tackle boxes to tippet.

Design Flotation: 16.5 lbs.

Color: orange/gray, khaki/olive

Size: S/M, L/XL, XXL

#2150 / \$89.95

Airy, mesh back is more comfortable against kayak and raft seats.

The Big Earl includes nearly everything you need to get on the water quickly.

NRS Blast Pump

Tired of pumping up your boat by hand? Have a Blast! This great pump inflates up to 2 PSI and it's a heavy-duty unit that will give you years of service. The rubber coated housing damps out sound and gives you a secure grip. It adapts to multiple valve types and the 12-foot power cord gives you the reach you need. 2-year warranty.

Color: gray/blue
#1726 / \$99.95

For those who don't take adventure sitting down.

Make playgrounds out of rivers, lakes and bays with the NRS Big Earl. Sleek yet stable, aggressive but forgiving, this pro-quality SUP board both challenges and rewards. No need for a roof rack, this SUP Board is inflatable; it rolls up compactly for transport and storage. Innovative drop-stitch construction gives you a rigid, rock-hard board. Non-slip deck material and three removable skegs for tracking efficiency. Whatever your fix, endorphins or adrenaline, the Big Earl's got the goods.

The perfect all-around SUP paddle.

The Werner Advantage adjustable length paddle is an outstanding choice for both touring and surf paddlers. The mid-size blade is a fiberglass laminate construction with a modified teardrop shape that's designed to optimize straight ahead efficiency and reduce torque. The fiberglass shaft has an oval indexed shape and ABS palm-style grip handle for comfort and precise paddle control. The three-piece model offers a solid 1-piece feel in a paddle that breaks down to a max length of 40 inches. This is one sweet lightweight, stiff and durable paddle.

Blade Size: 19" x 8.75"

NEW - Werner Advantage Adjustable Length Paddle

Color: blue/gray

Size: 74 - 78.5", 78 - 82.5", 82 - 86.5", 86 - 90.5"

#W84 / \$259.00 

NEW - Werner Advantage 3-Piece Adjustable Length Paddle

Size: 74 - 78.5"

#W87 / \$274.00 

The adjustable shaft is perfect for those who move between touring and surfing. It adjusts with a button lock to four different lengths, in 1-1/2" increments.

Comfort, style and protection from the sun's harmful rays.

Our UPF 45 MicroLite™ fabric in the body of the shirt wicks away moisture and dries quickly to keep you comfortable in the hottest weather. We've added UPF 50+ HydroSilk™ panels to the top for extra sun shielding where you need it the most. The collar adds even greater protection.
