SUMMER 2016

The River Rolls On

A life on the water is a life well lived. That thought has kept us going day after day, year after year, since we typed out the first Northwest River Supplies catalog back in 1974. We made our name supplying rugged, reliable equipment to river runners who defined a new sport and a new way of living, and over the next four decades became the world's leading supplier to professional guides and outfitters who share the river life with people around the world.

Today, NRS has grown from its river roots to empower all kinds of adventure on the water, from sea kayaking to stand up paddling to fishing. We've learned that the freedom, adventure and community of the river flow everywhere water reaches.

There's no place our employee-owners would rather be than here in the current, moving downstream, excited for what lies ahead. Thanks for joining us on the journey.

BOARD SHORTS

The NRS Benny and Beda Board Shorts exceed the demands of typical swimsuits and cover-ups. They're comfortable for long days on the water, functional to meet the specific needs of boaters and tough enough to withstand serious adventures. Plus the quick-dry material eliminates dripping during post-paddle brews. [imported]

H2CORE LIGHTWEIGHT

Put on a piece of H2Core Lightweight apparel and you'll wonder how you lived without it. The brushed fabric is soft as your favorite flannel, yet dries quickly, wicks moisture and protects your skin from harmful rays. Its mid-weight weave is perfect for evenings, mornings and cool afternoons—on the water, in camp, or around town. Updated for 2016 with a lighter weight, more breathable technical fabric and new styling. UPF 50+ [Imported]

CRUSH

We wanted a shoe we could wear day in, day out, on and off the water. A shoe that the off-duty guide/safety boater/instructor/bartender sleeping on our couch would covet. It had to feel as good as it looked and perform as well as it felt—in the boat, on the SUP board, around camp or at the pub. We made the upper breathable, quick drying and tough enough to last a nonstop season. We gave it a crushable heel and tuned the interior for barefoot comfort. Then we chose the stickiest rubber we could find, siped it for even better wet traction, and stamped our Idaho soul onto the sole. [imported]

IT'S NOT ABOUT THE BOAT

It's about the river, the friends, the road trip, the stories around the fire. Still, without the boat, none of it's possible. Since 1983, we've been building the rafts that make the best trips happen, year after year, decade after decade. Sure, other boats may get you down the river, but a state-of-the-art NRS raft becomes a part of your life. Whether you're an outfitter running 180+ days a year, or a nine-to-fiver working for the weekend, there's an NRS boat built to last, just for you.

OUTLAW RAFTS

Our Outlaw series rafts put top-end performance and durability within reach of the everyday boater. High-pressure PVC drop-stitch floors and welded PVC tubes not only make these boats exceptionally stiff and responsive, but also help keep them affordable. The flat, rigid drop-stitch floor makes a stable platform for fishermen, and whitewater chargers love how the outlaws punch holes, grab eddies and ride over waves.

OTTER RAFTS

Otters deliver the same outfitter-grade design and construction as our Expedition Series boats in a more affordable, lighter-weight package. Even the most avid private boater will get many years of reliable performance from these hand-crafted boats. They roll compactly for easy storage and don't take a forklift to carry. We build them with long lasting, UV-resistant Pennel Orca® material and beef them up in high-wear areas for extra durability.

EXPEDITION RAFTS

Wherever there are big rapids, sharp rocks and high stakes, you'll find NRS Expedition Series Rafts. Commercial outfitters around the world choose these boats for their proven performance and longevity. We hand cut and glue each raft using the highest grade materials and components—our thickest, toughest Pennel Orca fabric, top-quality Leafield™ C7 valves, and a full-coverage HD40 wear chafer on the bottom. If you're looking for a boat that can last you the rest of your life, and then be handed down to the next generation, look no further than the Expedition series.

FORGING AHEAD

Raft frames have come a long way since the sport's pioneers first lashed together wooden racks for rowing and hauling gear. NRS frames have helped drive that evolution, from classic hitch-pin setups to modern modular systems built with our patented LoPro™ fitting. Now we've advanced frame technology even more, using forged aluminum to create stronger, lighter and sleeker components. As always, every NRS frame is hand-built onsite in Moscow, Idaho, and we welcome your custom orders. See our full selection of frames, components and accessories at nrs.com.

LONGHORN FRAME

A simple rowing frame for almost any size boat. The Longhorn is equally suited for heavy whitewater or rowing to your favorite fishing hole. Combine this classic frame with a soft cooler and a dry bag or two, and you'll have a clean and easy overnight setup that will make portaging a breeze.

Includes: (2) side rails, seat bar, low-back rowing seat, foot bar, 6" oar mounts.

92010.03 | \$475.00 | 48", 54", 60", 66", 72"W x 50"L | 60" frame, 27 lbs.

BIGHORN I FRAME

With the Bighorn I you can pack a large cooler or dry box either in front of or behind you. An excellent choice for most 12'-13' rafts. Two 9' NRS straps and four strap slides are included for securing your cooler or dry box.

Includes: (2) side rails, (3) crossbars, foot bar, universal seat mount, low-back drain-hole seat, 6" oar mounts, (2) 9' straps, (4) strap slides. Cooler sold separately.

92001.03 | \$650.00 | 48"W x 65"L; 54", 60", 66", 72"W x 68"L | 60" x 68" is 40 lbs.

BIGHORN II FRAME

The Bighorn II can carry both a cooler and a dry box and will fit most boats 14' and longer. Its size and adjustability enable you to carry all the gear needed for multiday trips.

Includes: (2) side rails, (5) crossbars, foot bar, universal seat mount bar, low-back drain-hole seat, 6" oar mounts, (4) 9' straps, (8) strap slides. Coolers sold separately.

88" rails 92003.03 | \$825.00 | 60", 66", 72", 82"W x 88"L | 60" x 88" is 54 lbs.

82" rails 92003.03 | \$825.00 | 60", 66"W x 82"L | 60" x 88" is 54 lbs.

NRS STRAPS

During the high-water year of 1974, a wave of Idaho rafting accidents gave NRS Founder Bill Parks an idea. Rather than tie equipment down with rope or webbing, which made the gear difficult to detach after a flip, why not adapt cam straps from the freight industry? Bill sourced the best buckle on the market, along with the strongest, most UV-resistant webbing. When he brought the two together, the NRS strap was born, and the boating world has never looked back.

FISHING FRAMES

Rafts help you get to places where other boats can't go, where the fish are hungry and the water is never crowded. We've spent years working with professional guides to develop and refine the ultimate fishing frames for rafts and catarafts. We start with the basics, then offer a huge range of accessories to help you design your dream setup.

CAT FISH FRAME

A cataraft makes a great fishing platform for swiftwater or flatwater angling, and the Cat Fish is the ideal fishing frame. The Cat Fish has room to float, fish and pile on the gear for day trips or extended journeys. The open design offers ample elbow room for the anglers as well as great visibility for the oarsman.

Includes: (2) yokes, (4) side rails, foot bar, seat bar, action seat bar, high-back rowing seat, high-back swivel seat, 6" oar mounts.

92061.03 | \$1,275.00 | 72"W x 120"L | 94 lbs.

FISHING FRAME

Your raft and the NRS Fishing Frame are a perfect combination for that rocky mountain stream or your local lake. The Fishing Frame has a comfortable Low-Back Drain-Hole Seat for the rower and puts the angler up high with the padded High-Back Swivel Seat.

Includes: (2) side rails, crossbar, foot bar, seat bar, action seat bar, low-back rowing seat, high-back swivel seat, 6" oar mounts.

92013.03 | \$775.00 | 48" or 54"W x 65"L | 60"W x 68"L | 66" or 72"W x 78"L | 52 lbs.

FRONT THIGH HOOK PLATFORM

The roomy marine-grade Skidguard™ plywood deck provides solid footing, even when it's wet. Frame pipe support extends past the front of the platform for attachment of the Front Thigh Hook. Fits Action Seat Bars 60" wide or wider.

93043.03 | \$245.00

THIGH HOOK

You can put both legs inside the Thigh Hook or just hook one leg in. Whether you're casting or already fighting that trophy fish, you've got the support you need for success.

Front 93026.02 | \$119.95

Rear 93025.02 | \$119.95

REAR CASTING PLATFORM

Large 93041.03 | \$230.00 | 22"L x 24"W

STRIPPING BASKET

Fits on Y Thigh Bar and Thigh Hooks to collect stripped fly line.

84100.01 | \$29.95

ANCHOR MOUNT

Hold your boat in position with this slick anchor mount. Jam cleat mounted near rower's position firmly secures rope. Anchors and 3/8" dia. rope sold separately.

Raft Anchor Mount

93081.02 | \$239.95

Cat Anchor Mount

93080.01 | \$239.95

STERN SEAT MOUNT

Attach the Stern Seat Mount to the rear crossbar of your NRS raft frame and you've got the perfect perch to fish from.

Small 92017.03 | \$305.00 | fits frames ≤ 54"

Large 92017.03 | \$305.00 | fits frames ≥ 60"

CZAR

The big brother of the Tyrant, the Czar offers bigger paddlers a sporty inflatable board that can also carry the weight. Its extra buoyancy and aggressive design make it equally adept at surfing and downriver paddling, plus it's surprisingly fast on flatwater.
