THE OTTER

With the popularity of river running growing by leaps and bounds, there is a definite need for a quality, well designed raft that almost everyone can afford. THE OTTER fills that niche.

THE OTTER is constructed of premium grade 420 Denier nylon, coated with synthetic rubber. This material is more than twice as strong as the 210 Denier material used in other boats. For greater puncture and abrasion resistance, we have used 840 Denier material for the floor, double coated on each side with synthetic rubber.

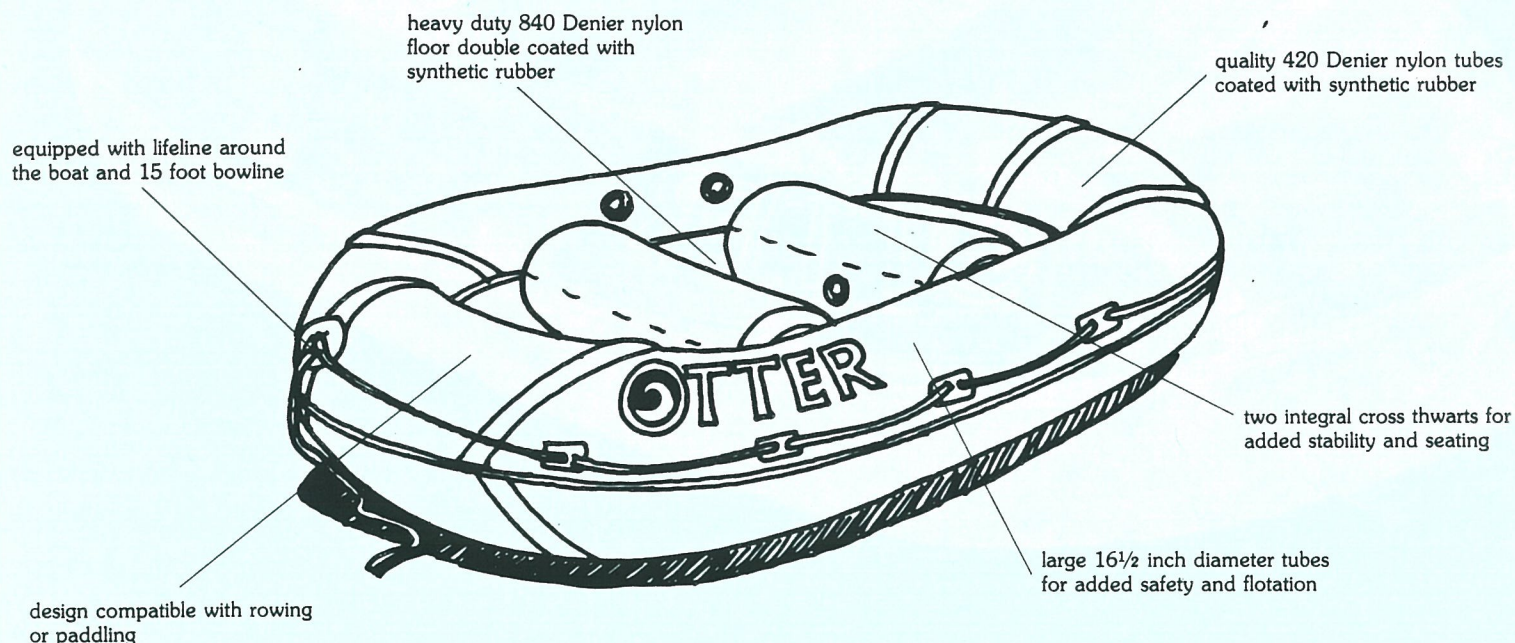

Measuring 5'6" wide by 11'2" long, THE OTTER is the perfect paddle raft for 4 or 5 people, or will accommodate up to 3 people with a rowing frame. THE OTTER features an enlarged bow that helps provide a safer, drier ride, and an enlarged stern that gives good support for the paddlers at the back of the raft. When the optional motor mount kit is used, the enlarged stern helps support the added weight of a small outboard motor. This makes THE OTTER a handy and portable fishing boat or lake cruiser.

THE OTTER has two main air chambers arranged bow to stern, two cross thwarts that are separate chambers and glued in. All chambers have 1" military style valves for quick and easy inflation and deflation. The cross thwarts give THE OTTER good rigidity and provide plenty of seating. THE OTTER features a lifeline secured with sturdy nylon-reinforced rope-holders and a 15' bowline attached to a 2" bow D-ring.

SPECIFICATIONS

5'6" wide and 11'2" long
420 Denier tubes, 840 Denier floor
Durable synthetic rubber coating
2 main air chambers, 2 inflatable thwarts
4 large military style valves
Weight: 50 lb
oarlock & motor mount kits available

only \$164.50

Water Sports International Rafting Accessories

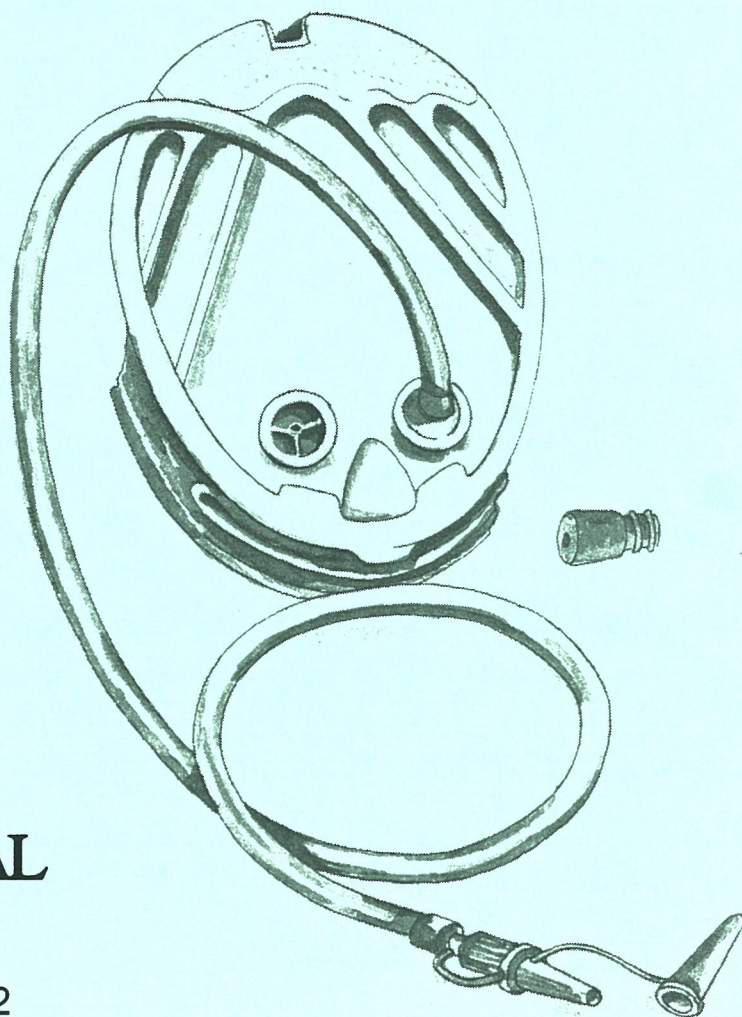

NRS WET SHOE: We are proud to announce an inexpensive yet strong substitute for those soggy, worn-out sneakers river runners wear. NRS Wet Shoe uppers are constructed of a durable 5mm-thick nylon 1-side Neoprene with glued and lock-stitched seams covered with a protective rubber strip. The soles are molded rubber with a non-slip tread for sure footing. High abrasion areas are covered with a durable vulcanized rubber toe and heel cap. Six sizes (XS, S, M, ML, L, XL) offer a full range of comfortable fit!

#1430 NRS Wet Shoe \$17.88

NRS FOOT PUMP: Dependability and a reasonable price in the same pump! Constructed with a tough rubber coated steel top and bottom plate and a rubberized cloth bellow, the NRS Foot Pump is a quality accessory for all your rafts and inflatable lines. Its 60" vinyl hose will reach over the largest raft tube, and the three part nozzle/adaptor assembly fits everything from an air mattress to a 1" military valve.

#1151 NRS Foot Pump \$24.25

BILLS BAG™

25,000 SOLD

Since their introduction in 1977, our BILLS BAGS have shown themselves to be the best waterproof gear bags on the river. A tough 18 oz. PVC-Dacron material (very resistant to abrasion and weathering), is cut to our precise pattern, assembled with heat-welded seams and patches, then double-reinforced at the shoulder straps and other stress points. The shoulder straps are 2" wide and padded to make your portages more comfortable, and rust-proof Fastex buckles allow you to adjust the straps to the desired length. BILLS BAGS will keep your belongings dry through even the wildest rapids.

BILLS BAGS are guaranteed against defects in workmanship and materials for one year's recreational use.

BILLS BAGS are available in three sizes:

3.8 Bills Bag: Our most popular bag has a 3.8 cubic foot capacity (measuring 13" x 16" x 32" when full) and has won rave reviews from sportsmen of all kinds: boaters, fishermen, sailors, hunters, and anyone who has a need for dry storage in wet conditions. The 3.8 is available in Original Orange (#1348), Deep Blue (#1349), or Woodland Camouflage (#1385).

1348 Original Orange \$31.25
1349 Deep Blue \$31.25
1385 Camouflage \$33.00

2.2 Bills Bag: This smaller bag (2.2 cubic foot capacity, 10" x 15" x 25" when full) is a great one-person gear bag for almost any trip. Available in Deep Blue, or Woodland Camouflage.

1351 Deep Blue \$29.00
1386 Camouflage \$30.25

1.2 Bills Bag: For bicycling, hiking, or short river trips, the 1.2 cubic foot capacity of this bag is just right. Available in Deep Blue or Woodland Camouflage.

1352 Deep Blue \$26.65
1387 Camouflage \$26.75

Bags for every use...

Stuff Sacks & Tuff Sacks: These are our most popular watersports bags. STUFF SACKS are made of 10 oz PVC-laminated nylon. TUFF SACKS, as the name implies, are more heavy-duty and are made of the same tough 18 oz PVC-coated Dacron as our waterproof Bills Bags.

Both STUFFS and TUFFS come in Small (5½" x 5½" x 14"), Medium (6½" x 6½" x 22"), and Large (7½" x 7½" x 28"). These bags have a convenient Fastex buckle that's a handle and closure all in one, and the Tuffs now have a ziplock closure as well. Press the tabs together, roll the top down a minimum of four folds, and snap the Fastex buckles together. This quick closure can be snapped around a line, frame tubing, canoe thwart, or even your belt for convenient waterproof storage anywhere you need it. STUFFS and TUFFS are available in Deep Blue, and the TUFFS are now available in Woodland Camouflage.

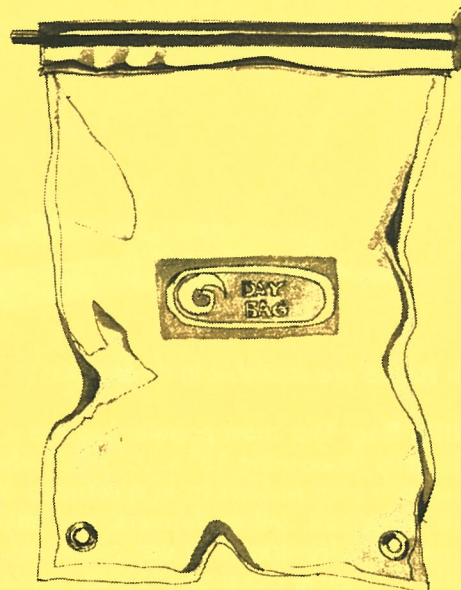

1358	Small Stuff	\$6.20
1359	Medium Stuff	\$8.20
1360	Large Stuff	\$9.25
1361	X Small Tuff, Orange	\$6.70
1388	X Small Tuff, Camouflage	\$7.75
1362	Small Tuff, Blue	\$8.50
1389	Small Tuff, Camouflage	\$9.10
1363	Medium Tuff, Blue	\$11.25
1390	Medium Tuff, Camouflage	\$12.10
1365	Large Tuff, Blue	\$13.65
1391	Large Tuff, Camouflage	\$14.30

Gear Bag: The Gear Bag offers watertight storage for the budget-minded water sportsman. The bag measures 20" x 30" and features a patented watertight slide closure. The flat, envelope-style construction gives enough dry storage for one person's overnight gear. The grommets at the bottom corners provide convenient tie-downs. Made of durable 18 oz PVC-covered Dacron (same as the Bills Bags). Available in Deep Blue.

1354 Gear Bag \$14.25

Day Bag: The Day Bag is a smaller flat bag (12" x 17") that's just right for keeping your lunch and a sweater dry. Slide closure allows easy access to contents. 18 oz blue PVC-covered Dacron, with bottom corner grommets for tie-downs. Available in Deep Blue.

1356 Day Bag \$9.40
