

EXTREME SAR GTX

NRS
RESCUE

Advanced GORE-TEX® Pro ePE material is 100% waterproof, breathable and rugged. Durable latex neck and wrist gaskets with protective overcuffs. Integrated GORE-TEX Pro socks. Cordura® reinforcements in the elbows, knees and seat. Extra padding in the elbows and knees. Built-in internal suspender system (suspenders included). Hook-and-loop patches on shoulders for department badges. SOLAS reflective tape for low-light visibility. Features two self-draining cargo pockets and a relief zipper.

Material: 100% recycled 3-layer GORE-TEX Pro with ePE membrane

22560.02 | S - XXL, GL, GXL, GXXL

Colors: Red ● Safety Yellow ●

Sizing: S - XXL, GL, GXL, GXXL
See size chart on reverse page.

GET THE RIGHT SIZE

How to measure:

- 1. Chest/Bust:** With arms down at your sides, measure around the largest part of the chest, generally across the nipples.
- 2. Waist:** Measure around natural waistline, allowing tape measure to sit comfortably.
- 3. Inseam:** With feet shoulder-width apart, measure from just below your crotch to the bottom of your ankle.

Tips for taking accurate measurements:

- It's best to have someone else help do the measuring.
- Use a cloth measuring tape. If you don't have one, use a cord (or an NRS strap!) and transfer that to a tape measure.
- Measure in your street clothes; we size technical outerwear pieces like dry suits and dry tops to include room for layering underneath.
- Stand up straight and relax.

If you have questions regarding fit or features, please reach out to our experienced customer service team at 877.677.7370 or rescue@nrs.com.
